Bond Drive Starts Here Monday

V-E Day Observed Quietly In Boro; No Demonstrations; Schools and Stores Closed

Speakman Post Changes Date of Memorial Day Church Service In Honor of European Victory

The shouting crowds, the noise-makers, the confetti were conspicuously absent from the streets of Narberth on V-E Day.

The village lay somnolent with a Sunday calm, and there were no celebrations.

After the air-raid sirens were sounded, following President Truman's victory proclamation over the radio, the offices in Elm Hall closed and most stores of the Borough gradually followed suit. The bank—permitted only legal holidays under the law—remained open.

Pupils at the Narberth Public School were dismissed for the day following a special assembly.

The assembly was opened by the singing of "America the Beautiful", followed by prayers of thanksgiving.

A tribute to those who have given their lives was read by W. J. Drenner, principal of the school. Joel Perkins lead the pledge to the flag, and the presentation of flags of the United Nations was made by members of the sixth grade.

At the close of the service, the audience joined in singing, "The Star Spangled Banner."

The churches of the community made the principal contribution to the Borough's recognition of the end of war in Europe.

Church Observances

At a special service Tuesday evening at the Narberth Presbyterian Church, the Rev. Bryant M. Kirkland stressed the need to make peace as well as write it.

"We must take care of suffering in the days to come. We must fight for a better moral world."

V-E Day was observed by members of the Holy Trinity Lutheran Church with special prayers and hymns at an evening service Tuesday.

The Rev. Samuel T. Nicholas, pastor of the church, announced he will conduct a Victory service Sunday at 11 A. M.

"V-E Day is just an interlude," said the Rev. Robert G. Middleton, pastor of the Baptist Church of the Evangel, "and we must not forget that the war in the Pacific is yet to be won."

Prayers of thanksgiving, remembrance and dedication were said at a V-E Day service Tuesday evening at the Narberth Methodist Church.

Said the Rev. Carl R. Hammerly, pastor: "Our work must and will go on with a sense of encouragement which we did not have at the start of the war in Europe."

St. Margaret's Roman Catholic Church held services Tuesday evening and will be the meeting place this Sunday for the annual Memorial Day service of the Harold D. Speakman Post of the American Legion.

Notices were sent to all members of the Post on Tuesday by Clarence M. Beltz, commander, changing the date of the service from the customary Memorial Day Sunday (May 27 this year) to this Sunday because of V-E Day.

"By proclamation of the President of the United States of America," the notices read, "Sunday, May 13, has been designated as a day of prayerful thanksgiving for the victory in Europe of the United Nations.

"Accordingly, our post as a unit will, by special arrangement, attend church services at 11.15 A. M. in St. Margaret's Roman Catholic Church, North Narberth Ave., Narberth in memory of those who have given their lives for their country, in prayerful thanksgiving for the victory in Europe and to ask God's help in obtaining an early and successful completion of the war in the Pacific theater of operations.

"This will be our Sunday Memorial Church service."

The Legionnaires will assemble on the sidewalk across from the church at 11 A. M. Sunday and march into the service in a body.

The post's membership of 101, the highest membership it has ever had, according to Commander Beltz, includes 13 veterans of World War II.

Bruce and the Rooster

On Monday, January 25, 1945, I was going to the doctors with my father. We were walking down Essex Avenue. I saw a rooster on the sidewalk and when I came home I picked it up. Its feet were tied so I carried it home.

My mother told me to put it in the laundry. We kept it until Friday. We ate it Sunday and it was good.

Spring Is Coming

Spring is coming once again.
Winter is going to its end.
When the birds begin to sing.
Then we know it's nearing Spring.
Spring! Spring!
It's coming to Spring!

Claire Gorman.

My Doggie

Teddy was my doggie's name.
He loved to romp and play.
We always had the grandest time
Playing every day.

Jack Paden.

My Chick

I have two little chicks. I love them very much. They have a little pen. I put a couple of little toys in like jumping ropes. They like to peck at it. My little chicks sing a song to me before I put them to bed. A little song that sounds like this: Peep! peep! peep! peep!

Carolyn Spence.

Birds Are Sweet

Birds that say "Tweet, Tweet."
They say are very sweet.
Birds are very nice to me,
That's why I like them you see.

Baby birds in the nest
They say are the ones who need rest,
To be husky and strong like Robin Hood
They must eat the proper food.

Anthony Mariani.

The Cat and the Dog

I am a cat. I was in a fight with a dog. A little girl saw me and so she took me to her home. The dog wanted to play with me. The girl took the dog in the home, too. The little girl gave the dog and me some milk and she gave us some meat to eat. We had so much fun. We never fought again.

Sidney Joy Gowland.

Flowers

When it comes time for Spring,
I just can't wait till the flowers are blossoming.
They are very pretty
And when they are broken down it's a pity.

Donald Drain.

George The Rabbit

One day in March, George came out of his hole. He was wearing his best hat. Just then the wind blew it off his head. He ran after it and fell down near a bush. He looked up and saw a fence. There were carrots and cabbages behind it. He went through a hole in the fence. Just then farmer Jones came with a shotgun. He expected to have rabbit stew. George saw him and went back through the hole. He ran as fast as he could. He saw his hat on the ground, picked it up and ran to his hole.

Robert Green.

Nature In Summer

Summer is coming but it is not here yet.
It will bring flowers and bees I bet,
All the trees will be green,
Many birds will be seen.

The bears will come out.
There will be animals about
In the streams will be fish like trout.

Mike Casey.

OUR MEN AND WOMEN IN SERVICE

News of Major William Rittenhouse reported missing March 7, has been received in a letter to his mother, Mrs. L. R. Rittenhouse, Wynnewood Rd., Merion, from Lt. H. G. Lynch.

Lt. Lynch wrote from his base in Italy. He is of the same squadron as Major Rittenhouse and was on the mission with him when their plane was damaged and they were forced to bail out over enemy territory. He says he has every reason to believe Major Rittenhouse is safe, that censorship regulations will not allow him to say more, but he feels there is no reason to worry.

Lt. Lynch was taken prisoner by the Germans, escaped and roamed Germany for two weeks before being picked up a second time. It was while at the first German prisoner of war camp that he spoke of the Major in a letter to his wife.

Civilian Defense Work to Continue

Only Governor Is Empowered To End Work

Continuance of all local offices of Civilian Defense in Pennsylvania was indicated this week in a statement emanating from the State Council of Defense.

The statement was issued following a report that the Office of Civilian Defense in Washington, D. C., would be discontinued July 1.

The statement follows:

"Reported discontinuance on July first of the Office of Civilian Defense in Washington, D. C., has no significance for Pennsylvania.

"Furthermore the Government has earnestly requested that the Pennsylvania State Council of Defense continue its work until the war is won.

"Victory in Europe leaves unchanged the responsibilities on the State Council of Defense. Those civilian measures essential in winning the war with Japan cannot be abandoned until the war is won. Salvage work must continue. Victory Gardens are more essential than before. Extensive measures for the conservation of food are of unprecedented importance. Child Care Centers must continue as long as mothers are required in war industry. Teen Age Centers are necessary as long as parents are working on night shifts and young people roam the streets. Fifteen million dollars worth of Federal fire and other defense property in Pennsylvania must be administered. All of the protective forces of Civilian Defense are essential for assistance in disasters of any kind which through loss of life and property may impede the war effort.

"The Governor is empowered to abolish Civilian Defense or any part thereof. He, with the State Council of Defense, will meet shortly to determine the continuing aspects of defense work but until a contrary decision has been made and announced, all work of the State Council of Defense will continue, and no one in any branch, salvage, food production, food conservation, child care centers, teen age centers, volunteer offices, auxiliary firemen, auxiliary police, rescue squads, first aid squads, gas services, utility repairs, emergency wardens, consumer interests, control center personnel nor any others are demobilized. No local councils, county councils nor any group is discharged. Pennsylvania is fighting this war until it is won and Japan utterly defeated."

May 21 Last Day To Register For Wartime Primary

Monday, May 21, will be the last day to register prior to the June Primary Election, it was announced this week by the Voters' Registration Commission of Montgomery County, composed of County Commissioners Foster C. Hillegass, Fred C. Peters and Raymond K. Mensch.

All registration business, including new registrations, changes of party and changes of address will be handled up to 4 P. M. on that date at the Commission's Office on the second floor of the Court House Annex, Norristown.

The Commission states that bills now pending in the State Legislature affecting registration have made it impossible to make any announcement previous to this of the final day for registration before the Primary.

It was also announced that the Voters' Registration Office will be open until 9 P. M. for the conduct of registration business on Tuesday, May 15. On that day the hours will be from 8 A. M. to 9 P. M., while on other days to and including May 21 the hours are 8 A. M. to 4 P. M. daily and until 12 noon Saturdays.

Arnold's Retirement Rumored In Capital

The possibility that Gen. Henry H. (Hap) Arnold, of Gladwyne, may soon retire as commanding general of the Army Air Forces was revealed in Washington yesterday.

Although there was no official confirmation, some Air Forces officials acknowledged that General Arnold had been under a "terrific strain" for the last two years and it is entirely possible that he might relinquish his high post on account of his health.

HERE AND THERE

by BETSY-ANN

V-E Day—that day we have all hoped and prayed for was proclaimed by President Truman on Tuesday morning, May 8, at 9 A. M. How we have looked forward to that day and how we promised ourselves to celebrate it when it arrived. But when we heard President Truman's proclamation over the radio, and heard the bells and the whistles, somehow for most of us our great joy at the German unconditional surrender was mixed with sadness.

A sadness for the families of those boys who wouldn't be coming home, for those boys in hospitals, and then we realized that long road ahead—our war with Japan. So most of us listened to the speeches of our Generals overseas and then turned to the days work—our task to be done—our real celebration will come when Japan surrenders unconditionally.

Assign Community Quotas For Seventh War Loan Campaign; Plan House-To-House Coverage

Borough and Township Will Reach Goals, Says Chairman

Each Resident To Receive A Letter

At the meeting of the Seventh War Loan Drive Committee for Lower Merion and Narberth at the Pennsylvania Company in Ardmore on Monday, Chairman Thomas Barnes 2nd, announced the quotas set for sales to individuals for the bond drive which begins its house-to-house solicitations on next May 14.

Allocations for the districts in Lower Merion and Narberth are as follows:

South Ardmore	$ 99,131
Bala-Cynwyd	302,736
Bryn Mawr	539,879
Gladwyne	160,272
Haverford	61,141
Merion	380,498
Narberth	141,277
Penn Valley	81,323
Penn Wynne	205,682
Rosemont	33,242
Villanova	97,944
Wynnewood	95,273
West Manayung	5,936
Lower Merion Schools	50,456
Ardmore Business Dist.	713,210

"These quotas are big—bigger than ever before. But this year there will be only two War Loan Drives: not three. In those two drives the Government will have to raise almost as much money from individuals as in three drives last year," states Chairman Barnes.

"Lower Merion and Narberth have met their quotas before and they will meet them again in the 'Mighty Seventh.'

"Several of the district chairmen present at the meeting reported that substantial sales were already being made in their sections and were assured by Chairman Barnes that all sales made between April 9, and July 7, will be credited to quotas.

Plans have been completed by the Seventh War Bond Committee for the door-to-door campaign for War Bonds.

A letter signed by the volunteer solicitor in the neighborhoods will shortly be in the hands of every resident of Lower Merion and Narberth. The letter will be followed by a personal call.

"Every single man on the far-flung battle fronts is being asked to fight harder and harder, even at the sacrifice of life. We are being asked to loan, not give, more and more of our money, at the sacrifice, perhaps of a few comforts of life. It is not too much to ask. In the Far East, our boys are giving much more than their share," declared Barnes.

The sale of bonds is credited to the community in which they are purchased.

Auto Car Co. Wins Cross-Town Quiz

Bragg Makes Perfect Record; France Gets Trick Question

Autocar won the final bout of the Sears-Roebuck Cross-Town Quiz, scoring 1450 points against the L. H. Gilmer Company's 1140. Each member of the Autocar team won a $50 War Bond and their names will be inscribed on a plaque which will be presented to the company. The box score of the final broadcast is as follows:

Autocar Team					
George Bragg	100	100	100	100	—400
Clarence France	100	---	100	100	—300
Joseph McGilvery	100	100	100	100	—400
James Pollock	100	100	50	100	—350
Total					1450
Gilmer Team					
Henry Clapp	---	---	100	100	—200
John Clower, Jr.	60	100	100	100	—360
William Dunham	80	---	100	100	—280
Isaac Guest	100	100	100	---	—300
Total					1140

The success of the Autocar team is due to their own merit and to the stiff training program which was conducted day after day by James Pollock, their captain.

The box score indicated above covers last week's broadcast only, but it is proper to add these totals to the previously accumulated scores of the series, which gives Autocar a total final score of 3250 and Gilmer a total final score of 2990. Autocar and Gilmer were competing against teams from 34 other prominent concerns of the Philadelphia area. In this connection, it is interesting to point out that George Bragg was on the air for three different times and answered every question correctly. Pollock missed only one-half of one question, scoring 50 points less than Bragg; McGilvery missed one, scoring 50 less than Pollock, and France missed three. However, France covered himself with distinction last night when he answered correctly a trick question in astronomy.

Red Cross Schedules Staff Aides Course

An intensive three - weeks course for prospective Red Cross staff assistants will be held at 511 N. Broad St., Philadelphia, in early June, it was announced yesterday by Mrs. Edwin L. Dale, chairman of staff assistants at the Ardmore office.

No Immediate Rationing Change

Henry M. Harman, chairman of the War Price and Rationing Board for Ardmore and Narberth, said Tuesday that he had received no instructions of any immediate changes in rationing or price control as a result of the end of hostilities in Europe.

"From now on," he stated, "there will be more emphasis on price control as far as local rationing boards are concerned. Fuel oil rationing will continue the same throughout the coming Winter. According to information we received from Washington, the Pacific war, because of the long haul, will take more oil than was consumed in the European theater."

Asks Contributions For College Fund

Negro Institutions Seek $1,550,000 In 1945 Drive

A plea for contributions to the United Negro College Fund 1945 campaign was made this week by Dr. Nolan N. Atkinson, 20 S. Warner Ave., Bryn Mawr, general chairman of the local suburban committee of the national drive.

Last year, $900,000 was raised—$100,000 of that given by Negroes—to help 32 Negro colleges solve the wartime financial problems that have beset all privately operated educational institutions. This year, the goal is $1,550,000.

Members of the local committee, in addition to Dr. Atkinson, are A. O. Becker, executive secretary of the Main Line YMCA, treasurer; Ercelle G. Byrd, secretary; Jonathan Steere, Herbert C. Nelson, Dr. Russell F. Minton, Madeleine Appel, Warren Chew and Dr. Leslie Severinghaus.

Contributions should be sent to Becker at 24 Ardmore Ave., Ardmore.

Urges Walzer's Election As Magistrate 'He Is a Great Fellow', Says Anderson

William Anderson, famous Lower Merion High School basketball coach, wants to see his friend of many years standing—Fred Walzer of Narberth — elected magistrate.

Andy doesn't live in Narberth but the Borough, whose boys and girls attend Lower Merion High School, has sent him some of his high-rating basketball players.

In his letter Anderson recalls sporting events in the Borough's history in which Walzer has played an important part:

To the Editor:

Sir:

I want to take this opportunity to write a letter of appreciation in behalf of my very good friend, Fred Walzer of Narberth and Lower Merion. I include Lower Merion, as Fred's interest have always been with the boys and girls from Narberth attending our school. Some of the newcomers to Narberth may not know about Fred and his genuine interest in the younger generation. For twenty years he managed the Narberth Baseball team and won many championships in the Main Line League. It is the tradition he built up and now so ably carried on by Gene Davis that has made Narberth's baseball team the leading semi-pro club in the Philadelphia suburbs. Fred organized the Narberth Boys' Club, which, in addition to sponsoring all types of athletics for the boys of Narberth, supplied opportunities which enabled the boys to see and hear many fine artists and prominent civil and athletic leaders.

I will never forget how Fred came to me in 1933 when we won the State Championship in basketball for the first time and volunteered his services in helping to arrange a celebration. It was through his efforts that we were, mammoth street parade and bonfire, including all the fire companies, bands and all the trimmings. Many a small boy who climbed upon one of the automobiles that night, or walked in the parade, made it his lifetime ambition to some day play on a State Championship team. This came about and in 1941, 1942, and 1943, Fred came our aid again when we had three more spectacular celebrations. These are memories that will never be forgotten and they probably wouldn't have been possible without the fine support of Fred Walzer.

Narberth has always been a town full of spirt and enthusiasm and the town is proud of the upon short notice, able to stage a achievements of its citizens. The boys and girls at our High School have absorbed this spirit and it is due mainly to the time and effort given to the young folks by the leaders in your community.

Fred is running for Magistrate. When I first knew him he held this office. I am sure the citizens of the Borough will not fail to draft him for the splendid service he is always ready to provide. He is a great fellow and is for Narberth first, last, and always.

Is the Citizens'-Endorsed Candidate for Justice of Peace Republican Ticket

PRIMARY ELECTION, JUNE 19, 1945

Several hundred men and women are now active in advocating Fred's selection as the Town Magistrate. Many of them will sign the formal declaration which will be published in his behalf. There is a general awareness that the induction of Fred Walzer will be a great gain for Narberth and that it will help, in a substantial manner, to offset the doldrums which a political procedure is imposing on this Borough.

As a matter of fact, no opposition to Walzer's candidacy has been encountered which is not lodged in political roots. By this time, the entire community knows what those in "politics" have tried to do and of the hornet's nest which has been stirred because of their capers. That "21 Club" meeting should never be forgotten.

The politicos hardly know the man they are supporting any more than anybody else in town knows him. Each night the stranger is taken around town as if he were a sample of merchandise and presented to the voters at their homes or on the streets. It is one of the most amazing episodes in the history of Narberth and if it were not any actual reality no one would believe such a thing was possible in an enlightened town like this.

Now, this is not to say the newcomer is not an estimable person. The main point is that only the politicians know him or anything about him, and there is no evidence that they know very much. Not even Fred Walzer, who has been here for fifty years, and who knows pretty nearly everybody, is privileged to be acquainted with his competitor. The whole thing is nothing short of being ludicrous.

The practical consideration is that if a man is not known in the Borough, it follows, of course, that he himself does not know our people nor the spirit of their existence in this good place. That means, obviously, that he lacks the primary qualification for a local office of such intimate importance to our citizens.

Little wonder, then, that a politician who was taking the clique's candidate around stated the other night that he did not believe the people would accept the stranger and he regretted that some other selection has not been made.

The politicians still have the opportunity to make good to their home-town. They should stop this nasty business of interfering with the fifty-year-old practice of Narberth people making their own decisions, instead of being told what to do. They should also know that their superiors at Norristown are severely out of patience with what they are doing and they have been told that the County Organization has always refrained from interfering in local matters.

The same politicians know well what everybody else knows, viz, that nobody has ever been more devoted to Narberth's best welfare than Fred Walzer, and that nobody has been more at the service of our people, day and night, than our old-time magistrate.

He should be returned to the office where he served so exceedingly well for twenty-two years and, happily, there is definite prospect that such will be the decision of the Narberth voters.

Here and There

Continued from Page 1

Pearson of the Lakeview Apartments the other day, I learned that General Emil Reinhart, the first American General to contact the Russians, started his career as office boy in Bay City, Michigan, for Colonel Randall (brother-in-law of Mrs. Pearson).

Col. Randall's ambition as a young man was to attend West Point. His father, a doctor, persuaded him to follow in his footsteps, so he gave up the idea of West Point, and studied medicine instead.

When young Reinhart came into his office, Col. Randall learned that it was Reinhart's ambition to go West Point. Col. Randall became interested in the young man, helped him along the way, and was instrumental in getting him his appointment.

Col. Randall who operated three field hospitals in World War I gave his life over there, but how proud he would be could he have lived to know the achievements of General Emil Reinhart.

Baseball League Deadline June 22

Should Organize Now For Summer Competition

Fellows, if you haven't organized those baseball teams for Summer competition in the Township Recreation Program you'd better get going.

Steve Juenger, who, with Bill Stinson and Kay O'Connell, will be directing the program, says he wants to have the two top hardball leagues organized by May 22.

Juenger will hold organization meetings the night of May 22 at his home 15 Ellis Rd., Oakmont, with the American League (no age limit) meeting at 8 P. M., and the National League (16 years and under) meeting at 9.30 P. M.

Teams are also urged to organize without delay in the lower age brackets in baseball and for such no-age-limit sports as softball, basketball, volley ball and badminton.

Llanerch Makes Debut Against Ardmore Lions On Township Line Field

All Teams Have Strengthened And Indications Point To Best Balanced Race of Wartime Competition

The starter's flag drops on another pennant chase in the Main Line Baseball League Sunday with a game in Narberth and two in Haverford Township.

The Collegeville Superiors will invade Narberth to help Gene Davis' 1944 co-champs open their campaign while Brookline and Manoa's co-champs will collide at Veterans Park, Darby and Manoa Rds., and the Ardmore Lions will help Llanerch make its debut at Township Line and Burmont Rds.

The traditional "play ball" cry of the umpires is scheduled for 3 P. M.

Fitting ceremonies will mark the season's opening at the three parks. Richard Miller, burgess of Narberth, will throw out the first ball at Narberth, while James (Uncle Jimmy) DeFrancisco, the Llanerch quarry king, will be given that honor at Llanerch.

Manoa and Narberth, as usual, loom as the clubs to beat, but all the teams have been strengthened and it is quite possible the calibre of the league from top to bottom will be higher than of any previous wartime season. All have been handicapped by the weather in preparing for the race, but Brookline probably will be the only team to take the field Sunday that did not have at least one workout previously.

Incidentally, this first Brookline-Manoa meeting is attracting considerable interest because they will be using the same home field, much against the desires and advice of certain teams in the league. It has heightened the feeling and keen rivalry that has always existed between these Haverford Township clubs.

Here's the way the teams shape up:

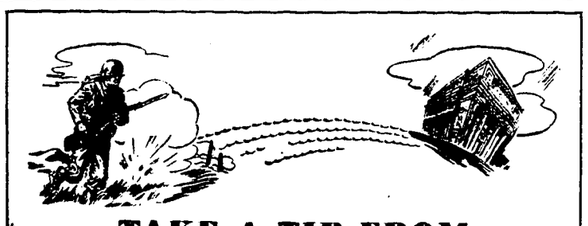

NARBERTH—Bob Davis, former Holy Cross captain who now is a medical student at Penn, is the only newcomer in the lineup. He'll start in left field in place of Bill Sobczak, who has been called up by Albany for another trial. The veteran Jim Craig will pitch the opener. The borough has strengthened its reserves with the signing of three Navy men: Paul Flanisky, rugged, 6-foot right handed pitcher; Ray Chappi, outfielder; and George DeFilpo, shortstop and a former East Penn League catcher, Bill Ellinger.

COLLEGEVILLE—Better pitching may enable the Superiors to live up to their name. Ken Nace had to do the 1944 job all alone, but Joe Narika, of the York Inter-State League team last year, is available to shoulder the major part of the burden this season. John Jones, who pitched Collegeville to the Montco League flag in 1941, is home on furlough from the Navy and will pitch the first couple games, including the opener against Narberth. Manager Al Truesdell is confident of making a good showing. "We learned what we're up against last year and we're prepared accordingly," he says. "Don't count us out."

ARDMORE—Manager Al Mueller predicts without qualification, that the Lions, who were last in 1944, will make the playoffs this season. He's confident because he finally has rounded up two first class pitchers in Bill O'Donnell and Ray McCauley and has Jack McLeod also available from last season. McCauley, making a comeback after two years on the sidelines, will probably get the call in the opener. Fred Brittingham, El Aigeldinger and Manager Mueller are the only members of last year's team listed for Sunday's starting lineup, which is the tipoff on what's happened at Ardmore.

The Stilwell Road—a composite of the Ledo and Burma Roads—has become a symbol as the lifeline of China.

By L. M. FORD

On the eve of the opening of the 41st season of the Main Line Baseball League, it is interesting to lear the official ruling of the Pennsylvania Interscholastic Athletic Association in regards to schoolboys playing Summer baseball.

Edmund C. Wicht, executive secretary of the PIAA, has informed Herb Good, vice president of the Main Line Baseball League, there is nothing to prevent a schoolboy from playing in a Summer league if an amateur status is maintained.

"There is no regulation prohibiting participation of high school pupils in Summer baseball, provided they maintain a strictly amateur status," said Wicht; "The PIAA amateur rule clearly defines what a pupil must do in order to be classified as a professional. In Summer baseball, the only thing he must be careful of is not to play ON a team, any of whose members are receiving compensation for that particular game. He may play on a team, during the Summer, on which there are other players who have professionalized themselves, but so long as they do not receive any form of remuneration for their athletic services in that particular game, it will not affect the amateur standing of the pupil."

In other words, members of the A's and Phils could play on a team, say Ardmore, and if they weren't paid for their services in that particular game schoolboys playing on the same team with them wouldn't lose their amateur status under the PIAA code. However, if those A's and Phils players, or any other players for that matter, received any money for playing in that particular game, then schoolboys on the same team with them would be ineligible for further PIAA competition. Get it?

THERE'S A DIFFERENCE

What happens to a high school boy who plays on an amateur team AGAINST a team that includes several professionals?

Wicht gives this answer: "It is my opinion that according to PIAA rules there is a difference in playing against a team on which there are professionals than playing on a team on which there are professionals. I believe that a strictly amateur team can play against a professional team without affecting the amateur status of the participants on the amateur team."

Wicht also pointed out that an amendment passed last December makes it possible for a schoolboy to play in outside ball during the school season," provided the consent or waiver is first approved in writing by the principal and is authorized by the District Committee."

It is unfortunate tha these rulings weren't requested last year because several boys, including Ray Edelman of Haverford High, turned down opportunities to play in the local league for fear of being ruled ineligible for further school ball. Edelman started the season with Ardmore, an amateur team, but was advised that by playing against teams that included professionals he would ruin his PIAA amateur status. According to Wicht this is entirely erroneous.

It is gratifying that the PIAA doesn't call a boy a pro just because he might happen to compete against one. That's common sense. But why go only half-way with common sense? If a boy is not a pro if he plays against a pro, why should he be a pro if he merely plays with one?

Surely it would be more fair and reasonable if the PIAA ruled a boy a pro only if, and when, he received compensation for participating in athletics. Period!

It's about time local schools took the initiative in having the PIAA amateur rule amended to say just that.

Four Games Open Pennant Race In Boys' Clubs Conference Sunday

Taking up in baseball where they left off in basketball, nine teams which make up the Main Line Federation Baseball Conference will swing into action Sunday in the first four games of a 26-game schedule.

The outlook is for a close race before the two contestants in the final playoff series will be determined.

All six members of last season's Main Line Junior League, plus three other strong clubs, are in the lineup.

The four games listed for Sunday have Berwyn playing Narberth at the Merion Park field; Kirklyn making its debut in a game with Good Counsel at the Polo Field in Haverford; Stonehurst clashing with the Ardmore Optimists at the South Ardmore Recreation Field, and the Ardmore Eaglets and the Overbrook Clippers playing at 68th St. and Lansdowne Ave.

The Ardmore Nationals, ninth club in the circuit, will draw a bye, and will make its first appearance in the Conference next Sunday.

Paoli and Malvern, expected to compete in the baseball loop, were forced to withdraw, making it necessary to cut the length of the schedule from 33 to the present 26 games.

Dark horse in this race is apt to be the Ardmore Eaglets, who led the Junior League all last season, only to be eliminated in the first round of the play-offs.

Bisons Top Penfield Bowling League

The Penfield Civic Bowling League finished their match games for the second half of the season on May 2 with the Bisons on top by three points.

In the women's division, the green team leads the league. They hold the distinction of winning undisputed first place by taking both halves of the season.

The men's beaver team, was a strong element until the Bison's took four points away from the Lion's in the last match. The Beaver team split with the Hawks.

The playoffs took place May 9, with the Bisons agains the Woodpeckers for first and second piase honors. The Eagles played the Beavers for third place. In the women's division, the Red team battled the White team for second honors.

Postwar World Contest

L. M. Track Team Points For Title

Given Even Chance With Upper Darby In Suburban Meet

Lower Merion High School goes gunning for its first major team prize of the track and field season Saturday afternoon—the Suburban Championships at Norristown's Roosevelt Field.

The Maroon-clad pupils of John Marzucco are undefeated in dual competition, but whether their strength is sufficiently deep to maintain this supremacy yin a major meet is still a matter of conjecture.

Upper Darby High is the defending Class A champion and its victory in the Delco championships last Saturday indicates that the Royals are again the team to beat. However, most neutral observers are conceding Lower Merion an even chance with Norristown in the thick of the fight all the way.

Lower Merion's leading contenders for individual honors will be Henry Uhle in the mile; Ralph Brenner in the dashes; and Bill Hawley in the pole vault.

Uhle and Brenner set new track marks for Pennypacker Field as Lower Merion took every first place to crush Haverford School, 79-20, last Friday. Uhle won the mile in 4:41.2 and Brenner took the 440 in 53.5. The latter also won the 220 in 24 seconds flat.

Softball League Opens on Tuesday

Three Games Launch Title Drives In Suburban Loop

The Suburban Softball League, an outgrowth of the Penfield League, will open its season next Tuesday, May 15, with three games listed for 7 P. M.

Penfield Indians, champion of the Penfield League last year, will oppose Woodmere Park at Veterans Park, Brookline, while Ardwyn will play Merion at Merion and Penfield Downs will tackle Penn Wynne at Penn Wynne School.

Ardmore, the other team in the league, will open its season against Penn Wynne on May 18. Incidentally, Don Kellett, Penn basketball coach and formerly a member of the Boston Red Sox in the major leagues, has been added to the Penn Wynne roster this year.

The season will be divided into halves with the first half ending June 29. The second half starts June 3 and ends August 17. The winners of the two halves will meet in a postoff for the league championship.

Trophies will be awarded to the leading batters and pitchers and to the championship team and runnersup.

Walter Fixter, of Penn Wynne, is president of the league. Ted Cookenbach, ace pitcher of the Penfield Indians, is vice president and Colin MacDonald, Penfield Downs is secretary-treasurer.
